

The language used in this book is neutral and natural. It is polite enough for daily interactions, yet simple and practical for beginners. The expressions are commonly used by Indonesian people in everyday conversations.

This book is suitable for:

- Expats living in Indonesia
- Digital nomads and long-term visitors
- Beginners learning Indonesian (A1–A2 level)
- Learners who want a fast and practical reference

You can read this book from beginning to end or open any section based on your immediate needs. Use it as a learning tool, a survival guide, or a daily companion while living in Indonesia.
